

*I would like to take the opportunity to introduce the new ACE certificate for the Tascosa Cluster. I would also like to thank Gabriel Sanchez for designing it with the guidance of Mrs. June Gabel. Gabriel very graciously chose to share his time and talent to help the ACE program. It is much appreciated.*

*~Carmen Ramos/ACE Coordinator*

Gabriel is a junior at THS and very talented when it comes to graphic design. His favorite class is of course, his Digital Graphics class with Mrs. Gabel. He is part of the Digital Graphics Club and the Spanish Club. He enjoys playing video games and football. His favorite college football team is Texas Tech. He is a BIG Tech fan!

Gabriel plans to join the Air Force after he graduates from high school. He enjoys being around airplanes and would like to become a jet mechanic because it would involve his skills with computers. He is enjoying his high school experience at Tascosa stating that, "THS is a very fun and diverse school." When asked why he chose to help the ACE program by designing the certificate he said, "the scholarship is a great opportunity. I hope that students choose to take advantage of it."

Mrs. Gabel has been teaching 18 years. She's been with AISD for eleven years and has taught Digital Graphics at Tascosa High for ten years. Mrs. Gabel is very artistic and loves to spend time doing anything art related. She also enjoys spending time with her family, gardening, and especially enjoys playing with her grandkids.

*Thanks Gabriel and Mrs. Gabel...the ACE certificate is AWESOME. It suits the Tascosa Cluster perfectly!*
